

AN ELITE RANGE OF
LOUVERS

TIMEX BOND

AN EVERLASTING BOND

Established in the year 2008, Timex Bond is India's one of the most chosen exterior brands. We are into the manufacturing as well as the marketing of top of the line, world class aluminium composite sheets & exterior laminates. Timex specializes in creating a range of innovative products that are in line with the latest global trends and demands of the market

Since the inception of Timex Bond, our range of products have constantly & wholeheartedly been accepted by architects, designers and constructors alike across the country. We currently have distribution network throughout India with 28 warehouses. Timex Bond is also approved with various reputed national companies like Indian Oil Corporation, Hindustan Petroleum, Bharat Petroleum, Indian Railways & Airport Authority of India.

Taking this legacy further, we bring to you our all new, ultra-modern and distinguished range of Louvers, an exquisite product for interior and exterior claddings of superlative structures. Our product speaks of nothing less than a touch of luxury and class, to let you design iconic buildings with an appearance of supremacy. The expansive range blends with your contemporary taste for an overall excellence.
